

Wavell-Cody Badminton Club Guide for Visitors

Welcome to Wavell-Cody Badminton Club. This guide is intended to ease your visit by explaining the practices of the club as they relate to visitors.

1. Before attending, you (or an existing club member) should contact the club **secretary** or leave a message (the club mobile phone number is **07746991955**), to notify us of your attendance.
2. For insurance purposes, please give your full name and contact details to the secretary (or another committee member if the secretary is not available).
3. Visitors are allowed to visit 4 times per quarter.
(the exception to this is during the months of July and August when this restriction is dropped).
4. The fee for visitors is £3.00 for each visit, payable on the evening attended.
5. Minimum age 14.
6. The first visit is free of charge.
7. As a visitor, you will not be responsible for selecting games. However, if your name is at the top of the board the member directly below you will choose you for the next game.
8. After your fourth visit, if you decide you would like to join, the committee could, at their discretion, offer you a membership place if available.
9. If membership is full then you could take up a temporary membership (if available) or go onto a waiting list.
10. The club requests that visitors wear suitable sports wear and appropriate indoor sports shoes.
11. Fees are payable every six months - currently £50.00. This can be paid by standing order or by cheque.
12. Courtesy and respect should be shown to each other on and off court at all times.
