

# Etiquette

## On Court

Closest person to the shuttle is to pick it up and pass it to the next to serve

Be supportive of partner

Respect Your Opponents

Shake hands at the end of the game

Last on court at the end of the night to help take down the nets helping the Campus staff.

## Off Court

Please keep the back of the courts clear.

Help to keep the walking areas around the courts clear of any potential obstacles.

(For everyone's safety and to prevent disruption to play)

## Pick Board

Choose from the top 7 - unless you have been playing with them repeatedly throughout the evening, in which case you can choose from lower down, in order immediately below the line.

When picking try and mix the players so you are not playing with the same people all evening.

The Winning Team is responsible for removing the game from the board.
